SUMMARY

Head of Design with 15+ years across product design, UX/UI, branding and campaign creative. Led 20+ designers over seven years at Daraz (Alibaba Group) and grew the Cartup design team from two to five. Works between business priorities, brand identity, product decisions and the engineers who build them.

EXPERIENCE

Head of Design Jul 2024 – present
Cartup (a concern of US-Bangla Airlines), Dhaka

- Lead the redesign of a new e-commerce product built to look, sound and feel distinct from Daraz.
- Grew the design team from two designers to five.
- Coordinate with business partners and a separate development organization across discovery, onboarding and product browsing.

Design Mentor 2025 – present
Ostad, Dhaka

- Mentored 14 batches of 60–70 students each across UI/UX design, graphic design, freelancing and social media banner design programs.

Product Designer (Manager) · Product Manager (Design) 2022 – 2024
SWAP · OLab

- OLab: owned the learning-experience design directly; spoke with students, mentors and the owner, then coordinated with developers.
- SWAP: led the redesign of device condition, trade-in offers, checkout and journeys for three customer goals.
- Offshore Clipping Path: redesigned the website around clearer services, visual proof, communication and a proposed pricing calculator.

Design leadership (Head of Design, Marketing, 2021–22) 2015 – 2022
Daraz, Alibaba Group

- Led 20+ designers over seven years.
- Led an eight-person Bangladesh marketing design team through the regional rebrand: 200–300 key visuals in about two months (approximate), adapted for Bangladesh.
- Served as the local design point of contact; ran work on a shared board with separate offline and online design tracks.
- Daraz Service Milestone Award, 21 June 2022, for seven years of service.
